MATHEW'S COMMENTS

I love the dentistry field. This is something I have been interested in while I entered High School. I want to major in this and soon get a third world country and help those in need of dental care because I believe that dental care is part of the foundation to good health.

AWARDS AND ACHIEVEMENTS

All Region - Cross Country	I made it to regional in the 1A class for cross country. I got 9th at district.	Aug 2009-Nov 2009
